COUNTY ADMINISTRATOR'S COMMENTS AND RECOMMENDATIONS

The budget being recommended for Contributions to Other Agencies is similar to the adopted FY 2005-06 budget with exceptions noted below. The following is a description, by program, of how the recommended funding will be distributed:

District Community Project Grants: For FY 2006-07, it is recommended that each District receive \$25,000 for use according to the District Community Projects Grant Policy. As in prior fiscal years, any District funds remaining from FY 2005-06 will be carried over into FY 2006-07.

Community Based Organization (CBO) and Preventive Health Grant (PHG): Representatives from the Adult Policy Council, the Mental Health Advisory Board, Drug & Alcohol Board, the Health Commission and Children's Services Network, along with Administrative Office staff, formulated the funding recommendations below. A total of 51 project proposals were reviewed and prioritized with emphasis placed on, among other things, an organization's ability to leverage the grant funds, requirement to obtain a public match, projected performance measures/results/outcomes for FY 2006-07, and actual results/outcomes, if applicable, from FY 2004-05 and year to date FY 2005-06, cost per population served, community need, distribution of services provided, project and/or organization sustainability with funds granted.

The CBO/PHG Review Committee is recommending funding totals of \$347,680, or 32 projects, for community based organizations. Measure A preventive health grant funding is recommended at \$413,000 for a total of 18 projects.

Other Agency Requests: Funding for the "Other Agency Requests" section of this budget unit is recommended at \$2,062,917, a \$293,140 increase over FY 2005-06. Programs funded in this category cover a wide range of services including services the County is required to contribute to per State or Federal law or by contract. Those types of programs include:

- APG Video (contract)
- Central Coast Commission for Senior Citizens/Area Agency on Aging (federal law/public match)
- San Luis Obispo County Historical Society (contract)
- Local Agency Formation Commission (1/3 share required by state law).

The remaining projects fall under discretionary funding by the Board.

The main reason for the recommended increase is the addition of the Economic Opportunity Commission – Children's Assessment Center. This Assessment Center will identify and treat new-born babies whose mothers have used, or abused, drugs and/or alcohol during their pregnancies. It is recommended that the Center be funded in the amount of \$250,000 but this expenditure is partially offset by a grant from the San Luis Obispo Community Foundation (\$100,000). Increases in funding for the SLO County Historical Society reflect a rise in the consumer price index of 4.24% as required by their contract with the County. The County's obligation to the Local Agency Formation Commission increased by \$23,151 over FY 2005-06. One new project applied for FY 2006-07 funding consideration in this budget category. The Central Coast Grown submitted a grant request in the amount of \$25,000. This project is not being recommended for funding.
